Job Title: Lower Elementary Classroom Assistant
Starting August 2026

Our Mission

Good Shepherd Montessori School is a diverse, cooperative learning community that uses the Montessori method to nurture the character and uniqueness of the child and to inspire wonder and a joy of learning. The school fosters spiritual growth in the Christian tradition and cultivates compassionate relationships with all people and just stewardship of the world's resources.

We Believe

We believe respect for the child is the foundation for academic excellence and that children grow at their own pace, following their inner drive to learn. Our faculty and staff guide children academically, emotionally, and spiritually, fostering an intentional learning environment that prizes cooperation over competition. We employ the Catechesis of the Good Shepherd to create space for children to contemplate their relationship with God and the cosmos, one another, and the wider community. We use brain-body regulation strategies to ground our students, build loving relationships with them, and help them stay in the right frame of mind for learning. We reserve time for weekly land-based learning opportunities as well as art and music instruction. We are not afraid to think outside the box to find better ways to serve each student. We see challenges as opportunities for growth and work collaboratively with our students, parents, and colleagues to create possibilities for each child to thrive.

If this resonates with you, consider applying to work with us.
